SUMMARY

Aspiring Junior Software Developer passionate about creating intuitive web applications. Strong foundation in JavaScript, React, and C#, with hands-on experience in full-stack development. Excels in problem-solving, teamwork, and continuous learning.

EDUCATION

Diploma in Information & Computer Systems Technology

Camosun College, Victoria, BC | Sept 2020 - Aug 2022

- **Capstone Project:** Developed a Python application for Canada's National Forest Information System that automated hand-drawn forest map conversions, reducing manual processing time by 80%.
- **Relevant Coursework:** Mobile App Development, Web Applications, Web Services, Database Systems Management, Algorithms & Data Structure.

CERTIFICATES

Amazon Junior Software Developer Professional Certificate - Feb 2025

- Java programming, data structures, and full-stack web development.

IBM Front-End Developer Professional Certificate - Mar 2025

- HTML, CSS, JavaScript, React, UI/UX design, and best practices.

PERSONAL PROJECTS

Book Club App (*React, Node.js, MongoDB, JWT*)

A full-stack web application that allows users to create and manage book clubs, add books, and invite members.

- **User Authentication:** Implemented JWT-based authentication with secure user login and role-based access.
- **Book Management:** Integrated the Google Books API to fetch and display book details.
- **Interactive UI:** Built a responsive, user-friendly interface using React and Tailwind CSS.

Portfolio Website (*React, HTML, CSS, JavaScript*)

A personal website showcasing projects, skills, and experience in a professional format.

- **Responsive Design:** Ensured seamless viewing across different screen sizes.
- **Optimized UI/UX:** Designed an intuitive layout with smooth navigation for better accessibility.

TECHNICAL SKILLS

- **Programming Languages:** JavaScript, JSX, C#, Java
- **Front-End:** React, HTML, CSS, Tailwind CSS
- **Back-End:** Node.js, Express.js, JWT, RESTful APIs
- **Database:** MongoDB, MySQL
- **Tools:** Visual Studio, VS Code, Git, GitHub

WORK EXPERIENCE

Produce / Grocery Clerk

Safeway - Edmonton, AB | Oct 2024 - Present

- Provides exceptional customer service, assisting shoppers with inquiries and product locations.
- Resolves customer concerns promptly, ensuring a positive store experience.

Produce Clerk

Thrifty Foods - Victoria, BC | June 2022 - Aug 2024

- Recognized for outstanding problem-solving and customer service.
- Trained new employees on store procedures and efficiency strategies.
- Optimized product displays, reducing restocking time by 25%.

INTERESTS

- **Game Development:** Actively working on Unity projects, exploring gameplay mechanics and interactive design.
- **Tech Interests:** Passionate about new frameworks, cloud computing, and AI advancements.
- **Books and Gaming:** Enjoys reading and gaming to enhance creativity & problem-solving.
